Dear Labor-Management Supporter:

It is our pleasure to invite you to participate in the first annual Atlantic Coast Labor-Management Conference. This conference, hosted by the Conference Board and the Federal Mediation & Conciliation Service, will be held November 02 - 04, 2011 at the Hilton Myrtle Beach Resort, Myrtle Beach, SC. The mission of the Conference is to establish a forum to present and share information, programs, and ideas with employees, employers, labor organizations, educators, state agencies, federal agencies, third-party neutrals, and others who are interested in promoting the economic well-being, free flow of commerce, and progressive Labor-Management relationships within the Carolinas and Virginia.

This year's conference will again include workshops that focus on overall workplace issues in the private sector. Our keynote speaker is Mr. Craig Ivey, President, Consolidated Edison Co. of NY.

We continue to work to keep the conference affordable and we encourage you to bring as many of your colleagues as possible as well as your friends and family. We will begin with registration and a hospitality suite on Wednesday evening and end Friday at 12 noon. The conference was very successful in 2010 and we are confident that the 2011 conference will be even better! We have expanded our area of participation to include Virginia. Therefore, we have changed the name from Carolinas Labor Management Conference, to Atlantic Coast Labor Management Conference

Please check our website for detailed information about planned workshops: <http://aclmc.org>. You may register online or use the enclosed form. We hope to see you in Myrtle Beach!

Sincerely,

*Members, Board of Directors*

*Atlantic Coast Labor Management Conference, Inc.*
